Short on time, but interested in a particular topic around social protection? Prefer to take an in-depth course together with renowned social protection experts? Then our short courses will certainly be of interest to you. We offer high-quality specializations on current social protection themes with a great practice-orientation.

Duration: 2 weeks **online** (in Aug 7-18, 2017)
1 week **face-to-face** (in Sept 5-13 2017)
(80 contact hours)

Fees: 1,300 EUR (excluding accommodation & traveling costs)

Application Deadline: April 30, 2017

Participants can choose one of 7 specialisations:

- Vulnerability
- Health
- Old Age
- Implementation of cash transfer programmes
- Return-to-Work
- Climate Change
- Migration

Application Requirements:

An academic qualification (bachelor's degree) or relevant professional experience is sufficient to qualify for the short courses. Interested candidates should fill in the application form. They will then be contacted by the assessment committee, which will grant participation based on available places and received payment.

“ I realised that there is a need to be deliberate in designing and implementing social protection programmes to ensure that they are child-sensitive, gender sensitive and enhance social inclusion. ”

Participant from the specialization „Vulnerability“
